Evaluation of the Student's Satisfaction Survey

The above results of Student Satisfaction Questionnaire were calculated for the session 2016-2017 for all the departments in the college. And, the sample of 100 students randomly analyzed from the 1000 feedback forms filled in the college. The criterion taken for choosing the students was that those students were selected,

whose attendance was above 75% and who appeared for mid-term examinations. From the 1000 feedback, only 100 questionnaires randomly were selected (every 10th form). This methodology was adopted, so that the tool could not be used as a tool of fault finding of various stakeholders employed in the college. Rather, the emphasis was given to improve the overall satisfaction level of students by quality teaching, appropriate conduction of classes on time and better facilities in terms of library, lab facilities, sports facilities, toilets, Internet, water drinking etc. And, to see that the attitude of teaching and non-teaching was appropriate and conducive to provide quality education to the students.

If we saw the overall satisfaction level of the students with regard to infrastructure and behavior of staff, nearly 76% student's responses fell in excellent, very good and good, for the overall rating of the college indicating that the college was doing a good job with the students. Also, the maximum responses of the student's w.r.t attitude of officials {Teaching (73%), Non-Teaching (74%) including Principal (64%)} of the college fell in excellent, very good and good indicating a positive attitude reflection. The majority of student's responses w.r.t punctuality of Teachers (72%) and quality of teaching (88%) fell in excellent, very good and good highlighting the high academic standard laid by the teachers. With regards to student facilities, the responses of 80% student fell in excellent, very good and good indicating that college was doing well in terms of amenities and conveniences in the college. Also, the overall rating of students (nearly 89%) was that the cleanliness in institution was good. Though w.r.t cleanliness of rooms nearly 64% student's responses fell in excellent, very good and good indicating that good hygiene was maintained in the classrooms. The maximum students (nearly 78%) responses fell in excellent, very good and good indicating good sports infrastructure in the college. Also, 70% students responses in the survey fell in excellent, very good and good indicating good all around development of students within the college in non –academic pursuits.

With regards to infrastructure in college, maximum student's opinion for Library Facilities (57%), Internet Facility (63%), Canteen Facility (62%), Lab Facilities in college (62%), Toilet Facilities in College (64%) and Water Drinking Facilities (69%) fell in excellent, very good and good. Though surely the responses of students w.r.t their satisfaction from the college infrastructure indicated some mild improvements in the infrastructure.
