Message - from the Principal

“Education is the most powerful weapon which you can use to change the world.”

– Nelson Mandela

Dear Students,

Choices and decisions in life are irrevocable. They always remain a herculean task. The aspirants and their parents spend countless sleepless nights to decide about career and most importantly the institution. The decision finally shapes the future. The decision to lay the foundation of life in Government College Dharamshala will definitely be considered wise and rational as the institution offers maximum courses and subject combinations to the aspirants. The institution is undoubtedly an arena of opportunities and provides wings of fire to the learners. Life is never a bed of roses. It is a story of action and not contemplation. We should all live for a purpose rather than drift like a rudderless vessel in life. To achieve something worthwhile should be a “drive from within”, if imposed from outside, it will be short-lived. God has endowed each one of us with great potential. After making choice of career, determined action should propel us toward the cherished goal. Discover your assets, overcome your disabilities by training and practice. Overcome all negative and pessimistic thoughts with persistence, optimism and genuine interest in what you have undertaken. You can conquer the world not by sword but by word. The battle of life is always fought with books and not with weapons. Either write something worth reading or do something worth writing.

With Best Wishes!!!

Dr. Rajesh Sharma
Principal

COURSE EVALUATION **(EVALUATION OF THE STUDENTS)**

All courses involve an evaluation system of students that has the following two components

- (I) Continuous Comprehensive Evaluation (CCE) accounting for 30% of the final grade that a student gets in a course
- (ii) End-Semester Examination (ETE) - accounting for the remaining 70% of the final grade that a student gets in a course.

(I) Continuous Comprehensive Evaluation (CCE):

This would have the two components:

- (a) **Classroom Attendance** - Each student will have to attend a minimum of 75% lectures / practicals. A student having less than 75% attendance will not be allowed to appear in End Semester Examination.
 - Provided that those having 74% and 65% attendance will apply for exemption in the prescribed form accompanied by clear reason(s) for absence
 - Provided that exemption from 75% attendance will be given to those participating in prescribed co-curricular activities (e.g. NCC, NSS, Youth Festivals, Sports, etc.) to the extent of 25%

Those having greater than 75% attendance will be awarded CCE marks as follows:

>	75% but < 80%	1 mark
>	80% but < 85%	2 marks
>	85% but < 90%	3 marks
>	90% but < 95%	4 marks
>	95% but < 100%	5 marks

- (b) **Mid Term Tests** - There will be one mid-term test to be conducted approximately when 2/3 of the syllabus has been covered. The midterm test will be of 15 marks.
- (c) **Seminar /Assignment** - The remaining 10 marks of the CCA will be awarded on the basis of Seminar / assignment.

(II) End-Term Examination (ETE)

The remaining 70% of the final grade of the student in a course will be on the basis of an End Semester Examination (ETE) that will be for three hour duration and will be covering the whole syllabus of the course.

For practical subjects 50 marks for theory and 20 marks for practicals out of 100.

Note: A student will have to pass both components (i.e. CCA & ETE) separately to become eligible to be declared successful in a course.

For Practical subject = 50 Theory + 20 marks practicals + 30 marks CCA
For Non-Practical subjects = 70 Theory + 30 CCA
