Message From the Principal's Desk

Dear Students

It is said that education is as much necessary for our intellectual health as nutritious food is for our physical well-being. It is only through acquiring good education that we can grow holistically. The very purpose of education is to acquire knowledge, which differentiates us from other species.

There are varied ways of acquiring knowledge. As an infant grows, she/he learns initial lessons of life in the lap of her/his mother. Thereafter, she/he obtains a range of knowledge at various levels in different educational institutions with a view to understand life better and to seek employment in diverse work arenas.

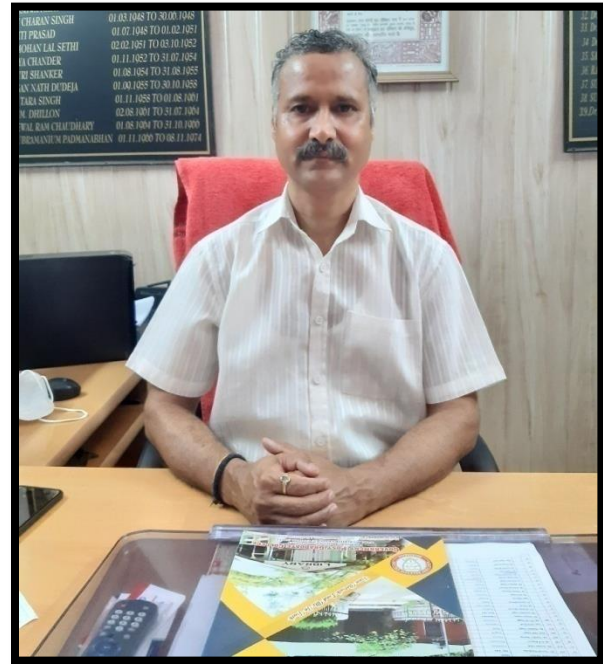

When a student enters the portals of a college, her/his ability to perceive and grasp is at its best. It is simply owing to the fact that at this level, there is a remarkable coordination between her/his physical and intellectual capacities. Moreover, her/his energy levels are very high. This youthful energy can be lent a meaningful direction as today's college students are tomorrow's educated and responsible citizens.

I extend a hearty welcome to the young students who are going to join our college.

Let us all participate with keenness and enthusiasm in this *yajna* of acquiring knowledge in the beautiful and salubrious learning environment that our beautiful college offers!

With Warm Wishes...!!!

Dr. Rajesh Sharma
Principal

Course Evaluation (Evaluation of the students)

All courses involve an evaluation system of students that has the following two components

- (i) Continuous Comprehensive Evaluation (CCE) accounting for 30% of the final grade that a student gets in a course.
- (ii) End-Term Examination (ETE) - accounting for the remaining 70% of the final grade that a student gets in a course.

Continuous Comprehensive Evaluation (CCE):

This would have the two components:

- (a) **Classroom Attendance** - Each student will have to attend a minimum of 75% lectures / practicals. A student having less than 75% attendance will not be allowed to appear in End Semester Examination.
 - Provided that those having 74% and 65% attendance will apply for exemption in the prescribed form accompanied by clear reason(s) for absence
 - Provided that exemption from 75% attendance will be given to those participating in prescribed co-curricular activities (e.g. NCC, NSS, Youth Festivals, Sports, etc.) to the extent of 25%

Those having greater than 75% attendance will be awarded CCE marks as follows:

>	75% but < 80%	1 mark
>	80% but < 85%	2 marks
>	85% but < 90%	3 marks
>	90% but < 95%	4 marks
>	95% but < 100%	5 marks

- (b) **Mid Term Tests** - There will be one midterm test to be conducted approximately when 2/3 of the syllabus has been covered. The midterm test will be for 15 marks.
- (c) **Seminar /Assignment** - The remaining 10 marks of the CCA will be awarded on the basis of Seminar / assignment.

(II) End-Term Examination (ETE)

The remaining 70% of the final grade of the student in a course will be on the basis of an End-Term Examination (ETE) that will be for three hour duration and will be covering the whole syllabus of the course.

For practical subjects 50 marks for theory and 20 marks for practicals out of 100.

Note: A student will have to pass both components (i.e. CCA & ETE) separately to become eligible to be declared successful in a course.

For Practical subject = 50 Theory + 20 marks practicals + 30 marks CCA

For non-Practical subjects = 70 Theory + 30 CCA
