

Hon'ble Sir, Ladies and Gentlemen

On behalf of the staff, the students, and the members of CSCA, I feel honoured and privileged to welcome all of you on this special day of Annual Prize Distribution Function of this college. It is the day of reaping the harvest of hard-work.

Situated at the foothills of the lofty Dhauladhars, Government College, Dharamshala is one of the oldest institutions of the state and enjoys a magnificent history of achievements.

The foundation stone of the college was laid way-back in 1912; in the year 1926 it was elevated to the level of an intermediate college; upgraded to the level of Graduation in 1947 and was the first college of the state to introduce Post-Graduation in different streams in 1977. The journey of success continues as it was accredited “B” grade in 2003 and “A” grade in 2015, by NAAC (National Assessment and Accreditation Council, Bengaluru). The evolution and growth of the college has been phenomenal. Apart from the regular streams of Arts, Science and Commerce, the college also offers self-financing courses like BBA, BCA, PGDCA, MBA, MCA, B.Sc.-Biotech, and one add-on course which benefits the students not only from Himachal but also from Northern India. The vision and mission of this educational institution has been to impart knowledge, build careers, develop skills and focus on holistic growth and development of each and every student so that they are competent enough to face the challenges of a bigger world.

The pages of this report will speak volumes of the achievements of this educational institution. I may please be permitted to present before you the annual report for the academic session 2016-17.

The library of the college organized World Book Day in April, 2016 and the attraction of the day was "Book Exhibition" which was attended by hundreds of students. The college library attracts students aspiring for various competitive exams and this library contributes maximum to their success.

BACHELOR OF COMPUTER APPLICATIONS

(Coordinator : Dr. Arvind Kumar)

The college started BCA course from the session 2010 under self-financing scheme and forty students are admitted in this course in every session through written competitive exam followed by an interview. Out of 40 seats, thirty seats are under subsidized category and ten seats are under non-subsidized category. The course has added a new chapter in the achievement of the institution. The Department has excelled in all activities and it is a matter of great pride that in the current session, 3 students of BCA 3rd years got selected in an IT company TCS and 1 student got selected in Wipro technologies. In this session 3 students of BCA 3rd year got selected in HPU, 2 in Punjab University MCA course and 4 were selected in Central University of Himachal Pradesh in M.Sc. (I.T.). Suraj Kumar of BCA 3rd Sem. got first prize in the National Level declamation contest organized by Shri Mata Vaishno Devi University Katra, in which 40 students from 8 states of North India had participated. Suraj also got first position in the state level competition held at Gaiety Theater Shimla. The mission of this course remains to develop the personality of the students and make them capable to be selected in higher course in good universities as well as be selected in good IT companies.

MASTER OF COMPUTER APPLICATIONS

(Coordinator : Dr. Parmod S. Patial)

The College started Master of Computer Application (MCA) w.e.f. session 2012 under the School of Computer Science. It is three Year degree course spread over six semesters and is affiliated to H.P. University Shimla and HPTU Hamirpur, approved by AICTE and UGC. The admission to the course is made on the basis of Entrance test conducted by H.P. University Shimla and HPTU Hamirpur. The department has requisite number of lecture halls and well equipped computer laboratories with AC facility.

Over the years, the College has enjoyed a number of partnerships with a variety of corporate entities. Throughout the year, students have the opportunity to learn about, meet and network with these companies. Our students and faculty benefit from these exchanges by understanding practical issues of engineering, while communicating their research interests with our industry partners. Thus, to facilitate this aspiration of the student we at Govt. PG College Dharamshala have a full-fledged Training and Placement Cell, which works towards the fulfillment of the student's aspiration of a suitable job. The cell has been working towards this aspiration of the students and in the recent past, the cell has been able to hold

campuses, joint campuses and off campuses for the students. The strategy of the placement cell has been to invite companies not only for the good students but for the average students also. Companies like Bebo Technologies, Wipro Technologies, Srijan Technologies, ICS System Private Ltd., Tata Consultancy Services, PIC N FRAME etc. have been kind enough to provide placement to our students. More than 80% of the students are placed in MNC's. Fourteen students of MCA sixth semester were placed in Wipro Technologies through campus placement.

INDIRA GANDHI NATIONAL OPEN UNIVERSITY

(Coordinator : Prof. Sapna Banta)

IGNOU study centre (1105) has the privilege to be considered as one of the biggest study centre of Himachal Pradesh and was started in the college in 1989. The centre caters to the needs of the students of six districts of Himachal Pradesh because there are some special courses which are available only at this study centre. The study centre has 2 full time non teaching staff members and 3 more non teaching staff members attached to assist for the smooth functioning. The centre has a highly qualified staff of counsellors.

This study centre is offering various courses to students in arts, commerce and science. There is ten percent increase in the admissions every year.

Thus, it is evident that the learner strength is increasing every six months.

Two Induction meetings were held in this year in the months of August 2015 and February 2016 respectively. For the August Induction meeting Regional Director Dr. Poonam Singh was present who not only updated the learners about IGNOU but also was highly appreciative of the centre. The result of this centre is invariably better than the result of State Universities.

CAREER GUIDANCE AND PLACEMENT CELL

In August 2015, a full-fledged Training & Development Department was set up at our college. This was the first initiative of its kind in government educational institutions of Himachal Pradesh. It was part of the long-term plan of the NAAC Accredited Grade 'A' College to strengthen its delivery mechanism for making its students employable.

The objective of this department is, inter alia, to train students, enrolled in various self-financing programmes of the College, for successfully facing job-placement interviews. Also, the department endeavours to conduct on-campus skill training to keep our students abreast of the latest developments in their respective areas of specialization. Finally, the department attempts to liaise with industry to generate employment for our students. For all students of the College, it also serves as a one-stop point for career guidance and counseling

Till date, 13 students of our MCA department have been successfully placed in Wipro Technologies Ltd in our first on-campus placement drive. Furthermore, 4 BCA and 3 BSc (Maths) students have been placed in Tata Consultancy Services (TCS), as of now. Another 35 students of BCA have been shortlisted for Wipro Technologies upcoming placement drive. The students of our College have participated in online efforts and in data collection drives for Smart City Dharamshala initiative as part of our Corporate Social Responsibility and Community participation Drive. Efforts are on to bring more employers for a productive interface with our IT and Management students.
