Message from PGDCA Coordinator

Dear Students

Education is a lifelong process that broadens our horizons and deepens our insight. Education is made up of two components – one academic which helps us to gain knowledge, acquire degrees, employment and second moral values which impel us to be a better human being. In the age of globalization both are equally important for your materialistic and spiritual development and growth. A balance is must.

During Learning process at every step, with every experience we develop gradually and progress. We must not forget that there is no shortcut to success. In fact key to success is hard work and commitment. Our dedicated endeavors and complete concentration is whatever we do alone help to achieve our goals. This can be acquired through self effort, initiative, determination and perseverance. Student must strive to attain crystal clear vision and eternal wisdom for their personal upliftment and nation building. Thus they must lead exemplary life.

Fast growing information technology and communication system have been critical component of every company's strategic plan. Companies which want to seize advantage of the new information technologies and communication system require expert professionals, who can apply computer science principles to solve problems produced by the interface between business and technology.

We are offering PGDCA course for the last ten years.

With Warm Wishes...!!!

Dr. Balraj Bandral
Coordinator,
Department of PGDCA

Message from BCA Coordinator

India's New Education Policy envisages distinctly and strongly hued applied and research fields of Higher Education with impetus on skill enhancement. Students who are opting for a specialized course like BCA will have advantages of an early bird. So, capitalize on this opportunity by hard work, diligence and exposure about the latest and hot fields.

“The Apex Court has defined ‘**ragging**’ as an disorderly conduct whether by words spoken or written or by an act having an effect teasing, treating or handling with rudeness any other student, including in rowdy or indisciplined activities which cause or is likely to cause annoyance, hardship or psychological harm or to raise fear or apprehension thereof, in a fresher or junior student; **or** asking the student to do any act of perform something which such student will not do in the ordinary course; or which has the effect of causing or generating a sense of shame or embarrassment so as to adversely affect the physique or psyche of a fresher or a junior student.

Government College Dharamshala - An Introduction

Sharing its boundary with International Cricket Stadium, having a clear view of majestic Dhauladhar and dark rain-rich Monsoon clouds, gurgling streams and towering White Mountains, Government Post Graduate College, Dharamshala, the college of excellence, carries a long magnificent history of its own and the institution is now ninety years old. The foundation stone of the college was laid by Sir Louis Dane, the then Lt. Governor of Punjab on 4th May, 1912. It is the first college in the state to introduce the faculties of Arts, Science and Commerce and also Post Graduation in different subjects. The college is also accredited by National Assessment and Accreditation Council, Bengaluru (NAAC). The collective efforts of teaching and non-teaching staff have already brought splendid and brilliant results and the roots of the college are spread throughout the country. The college has sanctioned strength of 97 teachers and 45 non-teaching staff.

Library is an integral part of any educational institution. The library of the college is fully computerized, spacious and largest in the state with a total number of 56911 books in its shelves. The College Library has been "N-List" under INFLEBNET whereby students can have online access to books and journals. To compete with the changing educational needs, self financing and professional courses BBA, PGDCA, BCA and B.Sc. Biotechnology were also introduced in 1997, 2007, 2010 and 2013 respectively. Besides, six career oriented add-on courses are also offered to students which they can opt as additional courses. The college offers 21 subjects to the students for choice in their graduation which also includes Elective English, Elective Hindi and Elective Sanskrit. The subjects like Geology, Commercial Art, Painting, Psychology, Philosophy are the major attractions as these are offered only by this prestigious institution of the state. The college also offers two vocational courses i.e. Computer Application & Tourism and Travels for which admission is made on merit basis. The college has the honour of being given Star College Project by the Department of Biotechnology, Govt. of India w.e.f. 2010-13. The college has an IGNOU Study Centre which caters to the needs of the students from various districts of the state and Study Centre offers more than 25 courses in various disciplines.

The Career Guidance Cell of the college remains active throughout the session and arranges various counseling lectures for students to make them aware of the vistas open to them in this modern competitive world. The college has Six modern Computer Labs with more than 400 computers and students have the privilege to avail internet facility with broad-band/lease line connection. The college has constituted various clubs and societies like Drama club, Eco Club, Mountaineering and Trekking club, Yoga and Fitness Club, Disaster Management Club, B-Speak Club, Planning Forum, Cultural Society, Literary Society, Commerce Society etc. which provide platform to the students who have a knack for doing something exceptional, extra-ordinary and adventurous. The College has not only excelled in academic activities but has also distinguished itself in sports and cultural activities as well. The sportspersons of the college have brought laurels not only at state or national level but also at international level.

The college has separate NCC units for boys and girls and three units of National Service Scheme (NSS) and one unit of Rovers and Rangers. In order to spread AIDS awareness, the college is running Red-Ribbon Club. The college has three hostels, one for boys and two for girls and these hostels provide accommodation to 60 boys and 110 girls. The Parent-Teachers Association is an integral part of the college and it always comes forward to assist the college administration to take up various developmental activities in the college. Old Students Association is playing a pivotal role in the growth of the college.

B.SC. (Hon's) in Biotechnology

Details of Course and Scheme of Examination

- I. The B.Sc. (Honours) Biotechnology will be of three years duration, Choice Based Credit System [CBCS] course.
- II. There will be broadly three types of courses for B.Sc. (Honours) Biotechnology degree program.
 1. The **Core Courses** (14 courses for Honours; and 4 discipline specific papers) will be of 6- credits each including 2 credits assigned to the practical component. Thus a candidate will have to pass 14 courses for earning $14 \times 6 = 84$ credits during the course. Each of the 6-credits courses will carry 100 marks. These 100 marks will be split into marks assigned for Theory [TH]: 50 marks; Practical [PR]: 20 marks and Internal Assessment [IA]: 30 will include midterm examination of 15 marks, assessment work of 10 Marks and Classroom Attendance Incentive marks (5 marks). The Lab-based practical will be of 2-hours [One credit]. A total of $14 \times 6 = 84$ credits could be accumulated under these courses during the Honours degree program.
 2. The **Elective Courses** will be chosen from a pool of courses and which may be very specific or specialized or advanced or supportive to the discipline/ subject of study or which provides an extended scope or which enables an exposure to some other discipline/ subject/ domain or nurtures the candidate's proficiency / skill. The Elective Courses will include:

Discipline Specific Elective [DSE] Courses: A total of 4 courses offered under the main discipline/ subject of study is referred to as Discipline Specific Elective. These courses are discipline related and/ or interdisciplinary in nature. A total of $4 \times 6 = 24$ credits could be accumulated under DSE courses during the Honours degree program.

Generic Elective [GE] Courses: A total of 4 courses of 6-credits each including 2 credits assigned for the practical component of each of these courses i.e. two courses in 1st year and remaining two courses in 2nd year will be studied by the candidates. An elective course chosen from an unrelated discipline/ subject, with an intention to seek exposure beyond discipline(s) of choice is called Generic Elective Course.

The purpose of this category of papers is to offer the students the option to explore disciplines of interest beyond the choices they make in Core and Discipline Specific Elective papers. Further, a course offered in a discipline/ subject may be treated as an elective by other discipline/ subject and vice versa and such electives may also be referred to as Generic Elective Course. A total of $4 \times 6 = 24$ credits could be accumulated under GE courses during the Honours degree program.
 3. **Ability Enhancement Compulsory Courses [AECC]:** Ability Enhancement Courses are of two types; Ability Enhancement Compulsory Courses [AECC] and Skill Enhancement Courses [SEC]. A total of $4 \times 4 = 16$ credits could be accumulated under these courses during the Honours degree program i.e. $4 \times 2 = 8$ credits for AECC, and $4 \times 2 = 8$ credits for SEC courses.

The AECC courses are the mandatory courses based upon the content that leads to knowledge enhancement;

- I. Environment Science and
- II. English/ Hindi/ MIL Communication. All these are mandatory courses for obtaining a B.Sc. (Honours) degree in the concerned subject. These courses are mandatory for all disciplines. SEC courses are value-based and/ or skill-based and are aimed at providing hands-on-training, competencies, skills etc. A minimum of two such courses for obtaining an Honours degree are selected amongst the courses designed to provide value-based and/ or skill based knowledge and may contain both theory and lab/ hands-on training. The main purpose of these courses is to provide students life-skills in hands-on mode so as to increase their employability.
- III. **Practical [PR]** component has been included in every core and discipline/ generic specific elective paper. The list of practicals to be conducted by the candidates has been provided alongside each of such courses. The marks (20 marks) for the practical examination will be split as follows:

Write up of Practical I:	5 marks
Write up of Practical II:	5 marks
Performance of any one of above practicals:	2 marks
Practical record/ notebook:	5 marks
Viva voce:	3 marks
- IV. **Classroom Attendance Incentive:** Those candidates who have greater than 75% attendance (for those participating in Co-curricular activities, 25% will be added to per cent attendance) will be awarded CAI marks as follows:

>=75% but <80%	1 marks
>=80% but <85%	2 marks
>=85 but <90%	3 marks
>=90% but <95%	4 marks
>=95% to 100%	5 marks
- V. The candidate has to secure minimum pass marks individually in Theory paper, Practical as well as Internal Assessment to earn full credits in the concerned course. A candidate thus failing in any of these components shall be considered fail in that course.
- VI. **Eligibility:** The admission to B.Sc. (Honours) Biotechnology programme of Himachal Pradesh University will be as per guidelines of Himachal Pradesh University, Shimla from time to time.
 - i. The candidate should have passed 10+2 (class XII) Examination or its equivalent from a recognized Board/ University

with any of the three subjects out of Physics, Chemistry and Biology or any other science subject with 50% or equivalent grade (for SC/ ST candidates marks of eligibility will be 45% or equivalent grade).
